INFORMATION DISCLOSURE STATEMENT

Reference is made to the International Search Report wherein the following references have been cited.

U.S. 4,767,154 has been cited under Category X with Figure 2 indicated to be relevant to International Claims 1 and 2. The reference discloses an automobile roof structure.

DE 198 53 820 has been cited under Category A with the entire document indicated to be relevant to International Claim 1 as technological background. No full translation of this reference is available to Applicant at this time. However, an English language abstract is attached. The reference discloses a roof module for motor vehicles having an additional fastening in the form of several threaded holes in the roof module to accept screws which attach the roof module to the frame.

Consideration of the references and favorable action on the merits is requested.

Respectfully submitted  
for Applicant,

By:
